You can help us further....

## Allow us to reclaim the tax on your donation

*giftaid it*

New tax rules now mean your gifts can be increased by 28p for every £1 you give, at no extra cost to you. We reclaim the equivalent amount from the Inland Revenue. There is no minimum amount and no commitment on your part to make regular gifts. The form is valid for as long as you pay UK tax. If you have any questions, please call us, telephone 020 7385 8765.

### NOTES:

If, in the future, your circumstances change and you no longer pay tax on your income equal to the tax that Learning for Life reclaims, you can cancel your declaration. If you pay tax at the higher rate, you can claim further tax relief on your Self-Assessment tax return. Please notify Learning for Life if you change your name or address. Under Inland Revenue rules, only one person may complete this form, although we can accept gifts from joint accounts.

### GIFT AID DECLARATION

This declaration confirms my wish that Learning for Life should treat all the gifts I have made since 6th April 2000 and all gifts I make from the date of this declaration until further notice as Gift Aid donations. I understand that I must pay an amount of income tax or capital gains tax equal to the amount reclaimed on my donations.
